

NORTHWEST MISSOURI STATE FAIR

LIBERAL ARTS General Rules and Regulations

Exhibitors are responsible for their own errors and those of their agents in filling out entry blanks.

1. Exhibitors must comply with all general rules and regulations for exhibitors.
2. It is the goal of the Liberal Arts Department to provide opportunities for interested individuals of all ages to participate. Some contests, however, may designate “amateur only” or “professional only”. For this purpose, professional shall be one who currently derives their supportive income from the same skills involved in the competition. Amateur shall be all others.
3. All articles or products must be the work of the exhibitor.
4. Articles must be completed since September 1, 2020 (within the last 3 years) and **not previously shown at the Northwest Missouri State Fair.**
5. Preservation must be less than one (1) year since process date and will not be opened.
6. Only ONE (1) entry or exhibit in each numbered class unless stated otherwise.
7. To simplify entering, judging, and displaying, any articles entered in Liberal Arts must be described on entry blank by color, design, or description. Entry tags will be completed by the exhibitor and the lower part will be used as claim checks.
8. **Exhibits will be received at the Liberal Arts building on Wednesday August 30th, between the hours of 12 noon and 6:00 pm only. Entries must be left in place until Monday September 4th and must be picked up between 3:00 pm and 4:30 pm,** as building will close at that time. Removal of exhibits from the building **must** have the approval of one of the superintendents. Persons taking articles without permission and/or by mistake will assume full responsibility of expense for their return to the rightful owner. Exhibitors and/or persons will be required to check out all articles taken by them.
9. Exhibits are judged according to merit. Judges will not be required to give an award if, in their opinion, an award is not merited. Judges will have the liberty to disqualify an exhibit for judging if, in their opinion, the exhibitor has not complied with the rules as set forth in this department or exhibit is entered in the wrong class. **In all instances, the decision of the judges is final.**
10. All articles will be under the control of the Superintendent and care will be taken to prevent loss or damage, but in no event will Bethany Fair, Inc, or the personnel in charge of this department be responsible for loss or damage that might occur.
11. There are specific rules given for the special contests offered. To be eligible, exhibitors will need to follow and adhere to these rules in addition to the foregoing general rules.
12. If there are a few entries in a class for two (2) consecutive years, that class may be eliminated, and a new class may be added.

SECTION I - FINE ARTS

Teresa Pierce, Chairman Professional & Amateur Rules and Regulations

1. Work **MUST** be original work by the exhibitor entering, and not previously shown at the Northwest Missouri State Fair and completed within the last three (3) years. ***Exhibitors may submit one entry per category.*** It is the responsibility of the artist to decide which category to enter either Amateur or Professional. Works of fine art in all media will be accepted for entry.
2. Two-dimensional work must be securely ready to hang (braided picture wire preferred). No saw tooth, cardboard pop-out or plastic hangers will be accepted. Due to limited space, 2-dimensional artwork may not exceed 36 square feet.

3. Artist must provide any special materials and do installation for three-dimensional works requiring a special presentation.
4. The exhibitor understands that all work submitted is at the exhibitor's own risk. All articles will be under the control of the Superintendent and care will be taken to prevent loss or damage, but in no event will Bethany Fair, Inc or the personnel in charge of this department be responsible for loss or damage that might occur. Any insurance coverage must be provided by the exhibitor.
5. Exhibitor tags will be available at check in.

SECTION VI - FARM PRODUCTS

**Lynda Ratliff, Chairman
Rules & Regulations**

This show is open to all Gardeners. The entries must be in the name of the exhibitor.

1. Entries must have been grown by the exhibitor and under the exhibitor's care for 3 months or longer.
2. The Superintendent reserves the right to subdivide all classes by species, variety, color or size.

3. More than 1 entry per class may be made by an exhibitor, provided each entry is of a different cultivar, type or color.
4. The main points to consider in selecting fruits and vegetables for entries or for exhibition are the quality, condition, representative and uniformity of the crops. Many people think that the large specimens win the prizes. Except for the “jumbo” classes, this is not the case. Market standards for quality, condition, representation and uniformity are far more important. We advise the exhibitor to first select specimens that are as near physically perfect as possible, free from insect and disease injury and high in quality, then choose from this selection those specimens which combine the ideal characteristics of the fruit or vegetable and which are most uniform in size, color and other characteristics. It is highly recommended that exhibitors prepare their vegetables for exhibit as described in the publication MU Guide: Exhibiting and Judging Garden Vegetables
5. The Superintendent shall have the right to remove from exhibition at any time any exhibit or any part thereof which is unsightly.
6. The variety or cultivar name must be displayed with the entry.
7. The fruits or vegetables must be displayed whole, in a manner which best displays the character of the variety, unless otherwise stated.
